## **NARRATIVE:**

Freddie Gomez is a documented sex offender and gang member and has an extensive adult criminal history that began at the age of 21. His convictions include oral copulation of a child, DUI, hit and run and driving with a suspended license. He has served multiple incarcerations, the longest being a 16 month term for oral copulation of a child. Gomez was released from state prison to the supervision of the Los Angeles County Probation Department on May 8, 2018. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in September 2020 after he absconded from post release community supervision (PRCS). Gomez qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for oral copulation of a child is defined as non-serious and non-violent under the California penal code. His criminal history, sex offender status and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
